

~~SECRET~~DIRECTOR OF CENTRAL INTELLIGENCE
Scientific and Technical Intelligence Committee

25 NOV 1981

MEMORANDUM FOR THE RECORD

SUBJECT: Meeting between Adm. Inman and
[redacted]

25X1

1. During our meeting on 25 November, the DDCI provided some guidance on three areas that he believes might benefit from STAP attention:

25X1

Future. The intelligence community is in the process of getting on the President's calendar for a presentation on enhanced intelligence capability in the 85-90 time period. If the President buys off on the proposal at a cost of [redacted] STAP might help focus the effort. We should know the President's feeling in about a month. [redacted]
